{Order / Resolution Ms. / Rout.} No. N.913/ dated 10.5.1937.

With reference to the Govt memo read above, the Bd submits that the following three items of work have to be undertaken in Bellary:—

(i) sub division of the portions of existing survey fields classed as 'Poramboke and as 'waste' in the list of poramboke and waste lands in the old cantonment.

(ii) sub-division of the portions (now included in the list of poramboke), which were originally accepted to be the property of the military authorities, but were subsequently

transferred to the local Govt
in the letters of the Govt of India
No. 1062 L (A.D.4) dated:
and No. 1170 L/2 (A.D.4) dated
5.2.34, whenever succession
the sub-division of the
plots is necessary for the
reason that when they or any
portions of them are disposed
of by sale or are granted on
lease, Compensations will be
payable to the Govt of India
as laid down in Rule 6 of the
Secretary of State Lands
Transfer Rules and

(iii) sub-divisions,
if any, to be made in connection
with the proposal to exclude
a ~~Compact~~ block of land from
the limits of the municipality
with a view to avoiding
the fragment of a large area
of municipal taxation on the
lands in that block and also
to securing a higher price
for those lands than will be
possible if the lands were

to be sold to third parties subject to the payment of Municipal taxes.

The Collector of Bellary who was consulted in the matter, is of the opinion that all the three items of work mentioned above may be entrusted to No I Survey Party Salem which is now employed on the ~~detailed~~ Survey of the area within the jurisdiction of the Bellary Municipality vide G.O. No Ms 361 Rev dated 13-2-37

The Board agrees with him and requests that the Govt will be pleased to entrust the above three items of work to No I Survey Party, Salem.

Ref:- B.P.No.N.973-37-5 dated 28-7-1937.

The estimate of cost of survey of Military lands and lands at the disposal of the provincial government already submitted to the Board, in my letter L.Dis.No.B1.2642-37 dated 16-7-37 was based on the figures furnished by the Sub Assistant, Bellary. But the Collector has now furnished revised figures (vide copies of statements A, B and C submitted herewith)

2. Revised estimate is now prepared separately for the areas shown in statements A, B and C, and submitted herewith.

3. The Collector, in his letter dated 24-7-37, requires that an extent of 253 acres in 522/1 falling within the Municipal limits may be surveyed as fields of 1 acre or less Hence a separate estimate has been prepared (vide item No.3(2) of the estimate).

No.1825-D/37-6.

From

K. RAMUNNI MENON ESQ., I.C.S.,

Secretary to the Government of Madras,

To

The Secretary to the Government of India,

Defence Department.

Dated, Fort St. George, the 7th September 1937.

Sir,

Survey - Land (Bellary) - Old Bellary Cantonment - Military lands - Sub-division.

I am directed to state that in his letter No.32392/X/M.L.C. dated 5th July 1935 (copy enclosed), the General Officer Commanding-in-Chief, SouthernCommand, suggested that all land held by the military authorities on behalf of the Central Government in the Madras Presidency should be given one designation in the revenue records viz., "military land." This Government informed the General Officer Commanding-in-Chief that they had no objection to adopting the suggestion and that with regard to the poramboke and waste lands in the Cantonments of Wellington and St. Thomas Mount cum Pallavaram and in the old Cantonment of Bellary, lists of which had been sent to him for approval, the necessary changes in the revenue registry would be effected after the lists had been finally settled and approved. The Collector of Bellary reported in this connection that a special staff would have to be employed to carry out the sub-division of the lands in the old Cantonment of Bellary which had been accepted to be military lands before the changes could be made in the revenue registry, and the General Officer Commanding-in-Chief was informed that the question of employing a special

staff

staff would be examined when the need for it arose after his approval of the list of poramboke and waste lands had been received. The acceptance of the General Officer-Commanding-in-Chief of that list was received in January 1936. The lands classified as "waste" (i.e., as belonging to the Defence Department) in the list of poramboke and waste lands in the old Cantonment of Bellary have now to be sub-divided where necessary and registered in the revenue accounts as "military land". A list of those lands, the survey and sub-division work already carri'd out and the work which remains to be done are given in statement A enclosed. A survey party of this Government is now employed on the survey of the areas within the jurisdiction of the Bellary municipality and this affords the best opportunity for getting the work done. The area of the lands still to be surveyed and sub-divided is 355 acres and the cost of the work on the basis of the time and labour which the survey party will have to spend amounts to Rs.355/-. In the case of Wellington Cantonment, the Government of India sanctioned the employment of a special staff in their letter No. 3303-L/D.4, dated 28th December 1936. I am directed to request that the cost of survey and sub-division of the lands in Bellary in question may similarly be borne by the Government of India.

2. In their letters Nos. 1062-L(A.D.4), dated 2nd September 1933 and 170-L/2 (A.D.4), dated 5th February 1934 (as amended by the Government of India corrigendum No.1035-L/2 (A.D.4), dated 6th July 1934), the Government of India transferred to this Government certain vacant military lands. A list of these lands and the sub-division work to be done in them is given in statement B attached. The area of the lands in which sub-division work has to be conducted is 591 acres and the cost of doing it by the Survey Party amounts to Rs.590/-.

In this connection, I am directed to invite attention to this Government's letter No.2038-D/37-2, dated 23rd June 1937, sent in reply to the letter of the Government of India, Defence Department, No.1003-L/D.4, dated 11th May 1937. If, as proposed in this Government's letter mentioned above, the Government of India agree to refund to this Government half the municipal taxes already paid by this Government for the lands and to pay half the taxes in future, I am directed to suggest that half the cost of sub-division of the lands may be borne by the Government of India. If, however, the Government of India choose the second alternative mentioned in paragraph 2 of this Government's letter viz., the cancellation by the Government of India of their orders transferring the lands to this Government subject to the proviso mentioned in paragraph 2 of this Government's letter, a survey of the lands defining the portions belonging to the Defence Department will be necessary in addition to the sub-division work mentioned in Statement B, and the entire cost of survey and sub-division of the lands may, I am to suggest, be borne by the Government of India.

3. I am to request that the orders of the Government of India on the proposals made in paragraphs 1 and 2 above may be communicated to this Government at an early date so that the work may be entrusted to the Survey Party which is now working in Bellary municipality.

I have the honour to be,

Sir,

Your most obedient servant,

K. Ramunni Menon,

Secretary to Government.

v.s.v.9-9.

Copy of letter from Inspecting Officer, Military Lands and Cantonments, Southern Command, to the Secretary to the Government of Madras, Revenue Department, No.32392/X/M.L.C. dated the 5th July 1935.

Cantonments - Lands.

I have the honour to refer to the Part II of the minutes of the Conference held in Madras on the 5th November 1930 to discuss the respective claims of the Central and Local Governments in Military lands in the Madras Presidency. This portion of the minutes deals with Poramboke lands in Cantonments and reference is made to the distinction between lands which are set apart for communal purposes and may not be assigned and lands which are not so reserved and may be assigned for occupation by private parties. The former class is known in Madras as "poramboke" and the latter as 'assessed or unassessed waste'. It is the latter class of lands which came into possession of Cantonment Authorities on behalf of the Government of India on the 1st April 1921 in consequence of the agreement arrived at between the Madras Government and the Government of India in 1921-22.

2. In pursuance of the agreement arrived at the conference held on the 5th November the Madras Government prepared a list of the lands in the old Cantonment of Trichinopoly (Annexure 1) and forwarded the same for acceptance by the General Officer Commanding-in-Chief under their letter No.3342-D/31-5 dated 11th August 1933. This list comprises both poramboke and waste lands and in the latter category military land is described as "assessed waste". In Annexure II however we have various desciptions of Military land such as "Rifle Ranges", "military ground", "regimental ground" and "military land". This diversity in the classification has led to uncertainty and a certain amount of confusion, and I suggest for your consideration that all land held by the Military Authorities on behalf of the Central Govern-

ment in the Madras Presidency should be given one designation in the Revenue Records such as "Military land". Such a procedure will greatly simplify the solution of questions relating to military lands which arise from time to time between the local Military and Revenue Authorities.

Survey and sub-division of military lands in Bellary.

I am directed to refer to your letter No.1825-D/37-6, dated the 7th September 1937, and to say that the Governmen of India sanction the expenditure of Rs.355/- (Rupees three hundred and fifty-five) for the employment of a special sta by the Provincial Government in connection with the survey sub-division of military lands in Bellary with a view to showing in the revenue records all lands belonging to the Defence Department at Bellary as "Military land". It is presumed that the survey and sub-division of these lands is ~~xxx~~ essential and will help in their speedy dis osal to third parties.

2. The expenditure will be met from Head 2-L(c)(2) - incidental and miscellaneous - Military Estates - of the Defence Services Estimates Effective for the year 1937-38.

3. As regards paragraph 2 of your letter quoted in paragraph 1 above, I am to invite a reference to Defence De artment letter No.2071-L/D.4, dated the 28th October 1937.

LOCAL ADMINISTRATION DEPARTMENT

G.O. No. 2087, 29th May 1939

Municipal limits—Bellary—Exclusion of area—Preliminary notification—Issue

Order—No. 2087, L.A., dated 29th May 1939.

In its memoranda presented to the Hon'ble the Prime Minister on 9th July 1938, and to Hon'ble Minister (Local Administration) on 27th October 1938, the Bellary Municipal Council objected to the proposal of the Government to exclude certain Government lands from the limits of the municipality on the ground that the council spent about Rs. 50,000 on the provision of lights in the area, and Rs. 51,000 on water taps apart from maintaining several miles of roads. It was also represented then that the annual cost of maintaining lights in the area is about Rs. 5,400 in addition to Rs. 1,800 spent on conservancy and other amenities. The Collector of Bellary has, however, reported that the amenities referred to by the Council are provided only for the inhabited parts of the ex-cantonment area and that these amenities do not actually extend to the area in question which is vacant without any buildings. He also reports that the maintenance of electric lights by the council at the annual cost of Rs. 5,400 is confined only to that part which is not to be excluded, except to a small extent and that out of the amount of Rs. 1,800 said to be the recurring expenditure on the conservancy staff every year, only a small portion of the amount is spent on account of the area under reference. In the circumstances, His Excellency the Governor of Madras considers that the objections raised by the council are not valid.

2. The appended notification will be published in English in the *Fort St. George Gazette* and in English and in Telugu in the *Bellary District Gazette*.

3. The Senior Translator to Government is requested to have the notification translated into Telugu and to forward the translation at an early date to the Superintendent, Government Press, for publication in the District Gazette.

4. The Collector of Bellary is requested to report the date of publication of the notification in the *Bellary District Gazette*.

Survey – Land – (Bellary) – Old Bellary Cantonment – Military lands and lands at the disposal of the local Govt –

To Asst Secy.

The following note is submitted with reference to the orders at p 88 N.F. of the linked file. (No. B 3781/32).

2. The items of survey work to be done in Bellary are the following:–

(i) subdivision of the portions of existing survey fields classed as 'poramboke' and as 'waste' in the list of poramboke and waste lands in the old Cantonment;

(ii) subdivision of the portions, now included in the list of porambokes, which were originally accepted to be the property of the military authorities, but were subsequently transferred to the local Govt. in the letters of the Govt. of India, No. 1062 L.(A.D.4)/32-9-33 and No. 170 L/2 (A.D.4)/5-2-34, wherever necessary. The subdivision of these plots is necessary for the reason that when they or any portions of them are disposed of by sale or are granted on lease, compensation will be payable to the Govt of India as laid down in Rule 6 of the Secretary of State's Land Transfer Rules.

(iii) subdivisions, if any, to be made in connection with the proposal to exclude a compact block of land from the limits of the municipality, with a view to avoiding the payment of a large amount as municipal tax on the lands in that block and also to securing a higher price for those lands than will be possible if the lands were to be sold to private parties subject to the payment of municipal tax.

3. In the Bd's Refce. No. B 3781/32-85 dt 13-2-37, the Collr. of Bellary has been instructed to submit proposals for the employment of a special staff for the survey work mentioned in items (ii) and (iii) mentioned in para 2 above. In para 4 of their Order No. Rs 369, Rev., dt 13-2-37, the Govt. have requested the Board to report whether any special staff will be required for the work mentioned in item (i) of para 2 above. In that connection the Assistant Secretary (Land Rev.) raised the question whether the work mentioned in item (i) could not be entrusted to Survey Party No. 1, which is to attend to the municipal survey under G.O. No. 367 Rev. dt 13-2-37. This point will be examined in N.G. section.

4. It is also for consideration whether two different establishments should

attend to the work to be done in Bellary: viz item i to be attended to by Survey Party No. I (if it should be found feasible to entrust the work to that Party) and items (ii) and (iii) to be attended to by ~~three~~ a special staff working under the control of the Collector.

5. Orders are requested.

Note by N. Seaton

Govt G.O. No Ms 364 Rev: dated 13.2.37, the Govt have entrusted the survey of the areas under the jurisdiction of the Bellary Municipal Council to No I Survey Party, Salem and the party is about to commence the work in the areas. In view of the fact that a regular survey party is to work in the area, it is for consideration whether all the three items of work mentioned above, may not be entrusted to that party. The Collector may perhaps be asked to report on this point in continuation of Board's Ref: B.3781/32-85 dated 13.2.37.
